

## **SUMNER COUNTY GOVERNMENT OUTSIDE AGENCY FUNDING REQUEST**

The instructions detailed below are for any outside agency that is requesting funding assistance from Sumner County. These instructions must be complied with in order for the funding request to be considered by the Sumner County Board of County Commissioners in the upcoming fiscal year budget. Upon completing the “Outside Agency Funding Request”, a statement must be signed by the person submitting the application certifying the accuracy of the information being submitted and agreeing to allow Sumner County Government, at any time, to review the organization’s books and records upon request.

**All requests, with required documentation, must be received by the Finance Department no later than 4 p.m., March 1, 2019.**

Once the annual budget is approved by the Sumner County Board of County Commissioners, a notice of all approved nonprofit appropriations will be placed in the county newspaper. Thirty days after publication, a request for one half (1/2) of the annual appropriation amount may be submitted to the finance department. The second half of the appropriation may be requested after January 1; all appropriations must be requested no later than June 15 of the fiscal year for which it was approved. Before any payments can be made, as required by state statute, someone within the organization must “file with the county clerk a copy of an annual report of its business affairs and transactions, which includes, but is not limited to, a copy of an annual audit, a description of the program that serves the residents of the county, and the proposed use of county assistance...Any non-profit organization that desires such financial assistance may file, in lieu of the annual audit, an annual report detailing all receipts and expenditures...Such report shall be prepared and certified by the chief financial officer of such nonprofit organization.”

### **AUTHORIZED ORGANIZATIONS**

Sumner County Government is authorized, by state statute, to provide funds to two types of outside agencies: nonprofit charitable organizations and nonprofit civic organizations.

“A nonprofit charitable organization is one in which no part of the net earnings inures or may lawfully inure to the benefit of any private shareholder or individual and that provides services benefiting the general welfare of the residents of the county.” The county’s legislative body has determined that any such services must be provided year-round for an organization to qualify for an appropriation.

A nonprofit civic organization is defined as a civic organization exempt from taxation pursuant to Section 501(c)(4) of the IRS code. A nonprofit civic organization must operate “primarily in the county for the purpose of bringing about civic betterments and social improvements through efforts to maintain and increase employment opportunities in the county by promoting industry, trade, commerce, tourism and recreation by inducing manufacturing, industrial, governmental, educational, financial, service, commercial, recreational and agricultural enterprises to locate in or remain in the county.”

**If the organization does not fit into one of these two category types, the organization is not statutorily eligible to receive county funds.**

**THE FOLLOWING ITEMS MUST BE SUBMITTED BY NONPROFIT CHARITABLE ORGANIZATIONS OR NONPROFIT CIVIC ORGANIZATIONS**

1. A completed application (pages 3-7 of this document)
2. A copy of the organization’s most recent financial statement(s), including a balance sheet, a summary of operations, and an audit if available (indicate basis of accounting). 4. The organization’s budgeted and actual financial information in the format requested below
