

SUMNER COUNTY GOVERNMENT'S NONPROFIT, CHARITABLE ORGANIZATION FUNDING REQUEST

Nonprofit, charitable organizations, please use the following instructions to request funding from the Sumner County Government. Information submitted to the Sumner County Government, as a part of this funding request, will be open for public inspection. To be considered a nonprofit, charitable organization, your organization must be exempt from taxation pursuant to the Internal Revenue Code, and it must provide services that benefit the general welfare of Sumner County's residents. This application is not for use by other nonprofit organizations: civic institutions, rural fire departments, or government-extension agencies (as determined by Sumner County Government).

After Sumner County determines the total amount available for nonprofit, charitable donations during its annual budget cycle, the nonprofit, charitable organizations are invited to submit completed funding requests by **4 pm on October 1, 2022**. Subsequently, the Sumner County Charitable Giving Panel will invite all eligible agencies to present their proposals, and the panel will evaluate all requests. Early in the 2023 calendar year, after the Sumner County Commission approves the Sumner County Charitable Giving Panel's recommendations, Sumner County will disburse charitable appropriations. Agencies are eligible for awards no greater than \$2,500 in the first year, and awards may not increase by more than \$2,500 in subsequent years. However, in years where Sumner County's total amount available for charitable contributions does not increase, the committee will give preference to prior year recipients that continue to adequately demonstrate their positive impact on our community.

TO BE ELIGIBLE FOR CONSIDERATION, SUBMIT THE FOLLOWING ITEMS:

- Completed pages 2 and 3 of this form; attach additional pages as needed
- A list of current board of directors including offices held and terms
- A copy of the Internal Revenue Service (IRS) letter recognizing the organization as a nonprofit organization or a copy of the state solicitation letter for the organization and the most recent IRS Form 990, 990-EZ, or 990-N, as applicable, filed with the IRS
- If audited, the most recent audited financial statements, or for organizations that are not audited, unaudited financial statements—balance sheet, operating statements, and cash flow statements—certified by the organization's chief financial officer
- Current year's proposed budget that details, at a minimum, all revenues by source (separately listing city, county, state, other grants, private donations, program fees, sales, etc.) and all expenses by natural expense classifications

Any nonprofit organization that receives financial assistance from the county must file an annual report of its business affairs and transactions with the Sumner County Clerk's Office and the Sumner County Finance Department. This report must include a copy of an annual audit (if available), a description of the program that serves the residents of the county, and the proposed use of the county assistance. If an annual audit is not available, provide an annual report on the form prescribed by the Tennessee Comptroller of the Treasury. Failure to provide the required documentation will forfeit the nonprofit organization's appropriation and the opportunity to apply for a charitable contribution in the subsequent funding year.
