

TO REQUEST A PURCHASE ORDER

1. From the Tyler Menu, go to Financials>Purchasing>Purchase Order Processing>Requisitions.

2. The following screen will appear. Click "New".

The requisition page will open for data entry. This page is broken down into 4 sections:

- A - Requisition
- B - Item Details
- C - Allocations
- D - Optional Details.

3. Be sure to *always* use the tab key and not click in the fields.

A. Requisition Section

The following screen should appear, and your cursor should be in the description field.

The screenshot shows the 'Requisitions' interface. At the top, there is a ribbon with buttons for 'New', 'Delete', 'Mass Allocate', 'Custom Interface', 'Attach (0)', 'Excel', 'Duplicate', 'Notes', 'Edit', 'Menu', 'Tools', and 'Office'. Below the ribbon, the main title is 'Requisition: 2018/4209' and the subtitle is 'Created, David Lawing, 09/12/2018'. The 'Requisition' section is expanded, showing 'Vendor Quotes (0)' and 'General Notes (0)'. The 'Fiscal Year*' field contains '2018', 'Requisition Number*' contains '4209', and 'Created Date*' contains '09/12/2018'. The 'Department*' field contains '(521) Finance-Accounting & Budgeting'. The 'Commodity' field is empty. The 'Description' field is empty and has a red box around it.

Verify data is correct in “Fiscal Year, Created Date and Department” boxes. Make changes as necessary. **Do not enter anything in the “Commodity” field.** Only enter a *brief* description in the “Description” field (Office supplies, Custodial Supplies, Toner Cartridges, etc.). A full description will be entered in the next section.

The fiscal year can only be adjusted in the month of June. It will only need to be adjusted if you are requesting a purchase order for the subsequent fiscal year.

B. Items Section

Click on “Add Item”.

The screenshot shows the 'Items (0)' section. The title is 'Items (0)'. Below the title, there are two buttons: 'Add Item' and 'Bid Items'. The 'Add Item' button is highlighted with a red box. Below the buttons, the text reads 'No requisition items exist.'

The requisition will save and open the item details page. Tab to the “Description” field and enter a detailed description of the item(s) being purchased. This information will print on the purchase order.
