

**ADVERTISEMENT:** The SUMNER COUNTY GOVERNMENT [the COUNTY] is requesting Bids from prospective General Contractor Bidders [bidders] for full fire alarm replacement at the Sumner County Administration Building. Work includes full removal of the existing system and install new analog addressable fire alarm system with offsite communications.

Contract Documents, including drawings and specifications, are available online by contacting the architect via email:

the architect WORKSHOP  
bidding@thearchitectworkshop.net

Each prospective bidder is required to conduct a site visit to verify scope and existing conditions prior to bidding. Site visits may be scheduled by contacting the County Executive's Office at (615) 452-3604.

Inquiries are acceptable and encouraged. Please direct all inquiries to the architect by email to [bidding@thearchitectworkshop.net](mailto:bidding@thearchitectworkshop.net). All questions must be received before **May 28<sup>th</sup>, 2019 at 12:00 noon local time**. Responses to questions will be emailed by the architect to prospective bidders and available online at <http://sumnertn.org/> under "Bid Notices."

Additional project information and bidding requirements, including Bid Form, are included in Contract Documents. All sealed bid packages must be received by **3:00 pm local time, Tuesday, June 4, 2019** at the following location:

**Sumner County Government  
County Executive Office, Room 102  
355 N. Belvedere Drive  
Gallatin, TN 37066**

Incomplete bid packages or bid packages received after that time will not be considered.
