

Questions for Sumner County  
RFP 20211014  
Consulting Services for American Rescue Plan Funds

1. Would the County provide the vendors a sample of the agreement for their review? **At this time, there is not a sample agreement, an agreement will be established between the county and the vendor awarded the proposal.**
  
2. The Request identifies the desire to contract with an accounting firm. Would the County consider contracting with a professional management consulting firm that has extensive comparable and successful experience performing the same services? **Yes, we would accept a proposal from a professional management consulting firm.**
  
3. Our firm is interested in submitting our qualifications for the County's request for Consulting Services for Oversight, Accounting, and Compliance for American Rescue Plan Act Funds, but wanted to request clarification.  
Is the County only looking for an accounting firm to perform these services, or would you consider an emergency management firm with experience in the oversight and distribution of similar federal grants (including ARPA)? **Yes, we would accept a proposal from an emergency management firm.**
