RE: Parts and Tire Bid Award

In RFP 20210610, Gas for Sumner County Sheriff's Office, There were 2 bids received to supply our fuel needs for fiscal year 2022. They were Mapco and Tri-Star Energy.

Tri-Star bid used an OPIS pricing of rack plus 12 cents per gallon at their stores, 3 cents over pump price at other accepting stores. OPIS Pricing is a daily report and fluctuates daily. Without that report, there is not a means of checking/verifying pricing and discounts.

Mapco bid 10 cents off pump price at all Mapco stations.

Both bidders will also deduct taxes from the pricing for the final purchase price.

OPIS (rack) pricing is not an even pricing structure due to items such as additives to fuels, etc. Typically Shell's (Tri-Star)'s rack price is generally higher than Mapco. Comparative rack price is Tri-Star plus 12 cents to Mapco's rack price plus 5-7 cents.

With this comparison in mind, the bid is awarded to Mapco for the 2021 fiscal year.
